## NEW FEATURES

**Your 1988 Vernon Directory contains some New Features**

- **A new Alphabetical Business Section**

In addition to the normal business listings in alphabetical sequence, the total number of employees is given as well as the number of years a business has operated. Also, another new feature in this section is an indicator which highlights all new or changed businesses since the previous issue.

- **Changes to the Street Section**

An indicator has been added to highlight businesses and the number of years a business or residence has been located at the given address.

- **The Telephone Section** has had an indicator added to identify business telephone numbers.

*The expanded listing format has been developed in response to subscriber needs for more information.*

*All new features are provided based on availability from original sources during enumeration. This file will significantly increase with our second issue as it requires two complete cycles to achieve desired penetration.*

# GET MORE BUSINESS WHERE THE ACTION IS WITH THE EXTRA SPENDING RECENT MOVERS IN YOUR AREA.

Someone who has just changed addresses has a sudden and serious problem of far above average NEED for his home and family. The only solution to the problem is to spend one's way out of it. Reach movers at this important time in your sales or advertising message and you get RESPONSE. You get ACTION. You get MORE BUSINESS — plus a valuable new customer who may stay with you for a long time.

**RECENT MOVERS BUY MORE OF EVERYTHING FOR CHILDREN.** They are younger parents, with more children, younger children, more need wherever they are for all the products and services it takes to keep children fed, clothed, sheltered, educated, and healthy. A move into your area often temporarily increases the need for many of these goods and services. Children are where the action is.

**RECENT MOVERS BUY MORE OF EVERYTHING FOR THE HOME.** A new house is a different house. It is often larger than the home the family left behind them. Paint, insurance, garden hose, furniture, appliances, carpeting, drapes, lawn mowers, grass seed, screens, a second car, and a hefty bank loan to pay for all of it are just some of the things the recent mover needs almost all at once to bring the new home to the standard previously set for the family. Recent movers buy almost 50% more of these items than the average family. New homes are where the action is.

**RECENT MOVERS BUY MORE OF EVERYTHING THEY BUY ON CREDIT.** Temporarily, at least, the recent movers' needs usually exceed the ability to pay cash. The only choice is to buy now and pay later. Present above-normal requirements force movers to fill their present needs out of future income. With the recent mover, CREDIT is where the action is.

**Check the Street Section  
for Listings That are  
Highlighted as Changes**

**REACH THE RECENT MOVERS! THEY CAN BE PRIME MOVERS OF  
GOODS AND SERVICES FOR YOUR BUSINESS!**

# USE THE “AGE OF LISTING” FEATURE IN YOUR DIRECTORY AS A SELECTIVE ADVERTISING AND SELLING GUIDE

“Age of Listing” in your directory has a definite effect on expenditures for certain products, because of the age of the household head, the number of children, the greater need at one time than another for certain products in the family. Here are some useful facts to help you make the most of the important “Age of Listing” symbol in your directory.

## AGE OF HOUSEHOLD HEAD

If this is important in your sales promotion and marketing, you can deduce the median age of household heads from these figures based on Census Studies.

Newly-arrived families are younger; the longer a family has lived at the same address, the older the head of the household.

Median age of heads of household is 46 years.

Here are median ages for different ages of listing:

Listed less than 1 year .....	36 years
Listed 2 years .....	38 years
Listed 3 years .....	39 years
Listed 4 years .....	41 years
Listed 5 years .....	43 years
Listed 6 years .....	44 years
Listed 7 years .....	45 years
Listed more than 7 years .....	55 years

## NUMBER OF CHILDREN

Use these important statistics from Census Studies when looking for families with children.

Oldest-listed families have fewer children. Newest-listed families have fewer children than middle years of listing, because parents are younger.

Here are the figures for number of children for number of years listed.

Number of Children Under 18 per 100 Households:

Listed less than 1 year .....	122
Listed 2 years .....	131
Listed 3 years .....	158
Listed 4 years .....	130
Listed 5 years .....	129
Listed 6 years .....	135
Listed 7 years .....	138
Listed more than 7 years .....	81
All Census Households .....	113

# PLEASE

## DO NOT LEND YOUR VERNON DIRECTORY. IT COSTS YOU MONEY EVERY TIME YOU DO.

---

The practice of lending your Vernon Directory is, in great measure, responsible for the increasing cost of Directory Service.

### THE REASON IS:

There is a definite cost involved in the making of the Directory of your city.

This cost must be absorbed by the subscribers—be it one, or be they 1,000.

If there were but one subscriber to the Vernon Directory, the one subscriber would of necessity have to absorb the whole cost.

If there were 100 subscribers, each one would have to absorb 1/100th part of the whole cost.

If there were 1,000 subscribers, each one would have to absorb 1/1000th part of the whole cost.

It is obvious that the greater the number of subscribers the lesser the burden of cost to each. It is also obvious that the lesser the number of subscribers, the greater the burden of cost is to each.

Every time you lend your Vernon Directory you decrease the necessity for the borrower to subscribe to the service.

**MORE BORROWERS RESULT IN FEWER SUBSCRIBERS WHICH MEANS  
INCREASED COST.**

# TELEMARKETING

Vernon Directories is concerned about consumer reactions to unsolicited telephone calls, often at inappropriate times.

City Directories are utilized by Government and business for a wide range of functions.

The following are telemarketing guidelines developed by the Canadian Direct Marketing Association.

## • UPSET PROSPECTS RESULT IN LOST CUSTOMERS

1. Telephone Marketers should promptly identify themselves and the organization represented.
2. Telephone presentations must be clear and honest. There should never be attempts to mislead or misrepresent, exaggerate, use partial truths, engage in deception, fraud or false pretense of any sort.
3. Normal rules of telephone courtesy should be observed. Attempts to harass, intimidate, or the use of obscene or vulgar language are unacceptable.
4. The privacy of the consumer must be respected by making every effort to make calls at a time and place convenient to the recipient. Vernon Directories recommends that the following time period for outbound calling be observed, 9:00 a.m. to 8:00 p.m. weekdays, 10:30 a.m. to 5:00 p.m. Saturdays. No calling should be conducted on Sundays.
5. Telephone Marketers should not call unlisted or unpublished telephone numbers unless a current relationship with the prospect exists.
6. Telephone orders should not be accepted from minors without adult approval.
7. Telephone Marketers should make conscientious efforts to remove names from their contact lists when requested to do so.
8. All calls should be made within the framework of Federal, Provincial and Municipal Laws.
9. Telephone Marketers should respond to the consumer in a forthright manner, providing the recipient with copies of all pertinent information upon request. Every reasonable effort should be made to ensure that a customer has a thorough understanding of his / her obligations.
10. In Telephone Marketing Programmes where the caller intends to play a recorded message, he or she must first personally obtain the consent of the receiver to play the recorded message.
11. Whenever monitoring / call observation, and / or tape recording equipment is employed all applicable statutes will be adhered to.
12. In accordance with crtc regulations, when ADAD's (Automatic Dialing and Announcing Devices) are used for sales solicitation, the ADAD must disconnect the line within 10 seconds of the other party hanging up. The CRTC regulations for ADAD calling are as follows, 9:30 a.m. to 8:00 p.m. weekdays, 10:30 a.m. to 5:00 p.m. Saturdays, 12:00 p.m. to 5:00 p.m. Sundays.
